

*Our February programme should be the best tonic to*

*brighten up your Winter. There's a selection of plays and concerts, a trip to see a Viking board and (provided we get don't get a hard Winter) a walk to see the snowdrops. Add to that, details of our convivial lunches and dinners and our friendly Thursday evening club meetings, and you will see there's no need to be stuck at home with your feet up!*

The programme is on our web site updated monthly @ [www.nottinghamnova.co.uk](http://www.nottinghamnova.co.uk) where there is a contact email address, leave a comment on our facebook page [Nottinghamnova](https://www.facebook.com/Nottinghamnova) or you can phone or text Paul on 07973 872213.

The Planning Team would welcome suggestions for any special club night event, favourite restaurant, day trips, music, theatre or arts events you would like including in future programmes
